

MONEY MARKET FUND

As of December 31, 2008

Investment

Objective: The Money Market Fund seeks to maximize current income while preserving capital and liquidity through investing in a diversified portfolio of short-term securities. The Fund's yield reflects short-term interest rates. Contributions to the Fund are invested in the State Street Short-Term Investment Fund.

Investment Style: Investments are managed conservatively by investing only in high quality short-term instruments such as U.S. government and agency obligations, commercial paper, repurchase agreements, bankers acceptances, certificates of deposit, time deposits and other fixed income investments.
